

Educator Packet

Welcome to the VISION program. We're excited that you are taking advantage of this opportunity to make a difference in the lives of young people. Educators are an important part of VISION.

The Educator Packet includes forms and other information relevant to this important role. Please read it carefully, submit the necessary information, and return it to the Paonia, Delta or Surface Creek office. If you are interested in being an Educator through more than one office, you must submit a copy of the form(s) to each office; however, it is only necessary to go through the background procedure once if you decide to do so.
