

DAC Meeting

11-20-2008

Present: Angela Toothaker, Amy Perkins, Traci Brown, Tami McCay, Rian Perkins, and Lauren McCay.

- 2008-2009 DVHCP DAC meetings have been posted to the Google calendar.
- Amy gave a full report (hard copy in office note book) of the 11/11/2008 D.O. Accountability meeting. Discussion over how DVHCP Response to Intervention (RTI) works. Our tiers are 1- RC/Family; 2-Learning Specialist Gerry and Sherri; 3-Special Services office. It must be done in this order.
- Discussion over the payment policy for DVCHP educators. Some educators are not being paid on time from the D.O. Angela suggested that our DAC rep talk with Trona and/or Elaine to get all the facts.
- What are fortune 500 businesses looking for in employees? Exactly the kind of students we have. Thinking outside of the box and interpersonal skills. College and employers want to see portfolios. This is something our kids already work on.
- Student Task Force update – there are now 11 members. John Jones came to their last meeting and talked about how to make bylaws and what some of those may be. He also told them how to get approved by the School Board. Caryn Braddy spoke with the kids about due process and about the need to have an adult sponsor. Caryn and Trona both have talked about taking this position.

Next meeting set for 12/09/2008 at 1p.m.
