

DAC Meeting – 8-21-2008

Present- Amy Perkins, Amy Bryant and Angela Toothaker.

- ❖ Introductions
- ❖ General discussion over what is expected from the committee and its members. Amy Bryant was DVHCP DAC rep for last year. She was able to give the group an idea of how the District Accountability meetings operate.
- ❖ The group also discussed the fact that the big issue that we dealt with last year (contract negotiations) would not be a part of this year's charges.
- ❖ Amy Perkins has agreed to be the DVHCP rep for the 2008-2009 school year.
- ❖ Amy B. and Angela Toothaker will hold other offices for the DAC. Angela will get this information to Mr. Ed Longfield at the D.O. for their records.
- ❖ Angela will ask RCs to try and get their parents involved in the committee.
- ❖ The committee plans to meet each month before the district has their meeting. This way the group can help the DAC rep with any agenda items.
