1-28-08 11:15 am

Present: Amy, Angela, Elaine, Jeff, Caryn, Trona, Cheryl and Marie.

- ★ Networked printers in office- Main reference to printers in RC workroom. MANY people are having problems, daily, with networking to printers in the workroom. We feel that it is more of a networking problem than printer problem so Jeff will contact Carol at the District to try and get some help.
- ★ Presentation to Stewards tonight in Hotchkiss. All VHCP will present their future plans for contract negotiations.
- ★ Advocate-is touching base with all families to see how things are going with their RC/Family relationships.
- ★ Registrar-Angela will compile different formats of Learner Transcripts to have available to all RCs. We would like to have ALL transcripts look as good for us and other schools as possible. The format would not contain any hand written items except signatures.
- ★ Drug free campus-We have a copy of the District's policy on a drug/alcohol free campus. We plan to put a policy into practice and train staff/RCs on how to handle a situation involving drugs/alcohol at our school.
