

Staff Meeting

4-07-2008

Present- Amy, Caryn, Angela, Jeff, Cheryl, Trona, Elaine and Marie.

- Angela to print out list of 11th grade ACT's (today). Marie may already have this list. Andrea will be putting together a letter to send out to all 11th graders.
- Small Group agenda items to Caryn. Discussion over additional items.
- Update –Caryn felt that contract negotiations are going well. Concerns were addressed, negotiations will continue.
- Staff meetings-do we meet Mondays through out June and July? There are two weeks scheduled off (the last two weeks of June).
- Jeff- DAC wants to put together a document that really explains the differences between HCP, Charter, Private, Public and Homeschooling. Caryn suggested also a comparison of this year and next year. There are going to be some changes.
- Caryn will be gone all day this Friday.
- Amy-Benchmarks due. Do we really need to complete March benchmarks? We agreed with the district to complete quarterly benchmarks. Benchmarks are to be “introduced” not mastered at the time of check off. Introduced, is having the concept explained to the student. Discussion at small group. We need to have something that everyone can agree on to do for March benchmarks. How are the families and RC addressing benchmarks anyway?
- Are staff evaluations going to be at the same time as RC evaluations? You would need to have a full hour for the evaluation if you are both staff and a RC.
- We have a student cooking for the RCs at Large group as her senior presentation. Have RCs think of questions to ask her.
- Funding-CNA Will we fund four sets of scrubs? No. What does the policy book say about funding clothing? We need to make sure that we have all the information before funding items. Everything needs to be documented and there could be exceptions, is it required by an educator or volunteering and so on.
